Discovery Book Box

When disaster strikes, learning suffers

Sometimes, there are big storms, conflicts, or places where schools cannot provide a library. When this happens, kids might not be able to go to school or have books to read.

More and more children are missing out on stories and learning because the world is changing in many ways.

Discovery Book Boxes can help!

Discovery Book Boxes are special boxes full of books. They can go anywhere – to faraway schools or places where families live after they've had to move.

Each box has 200 brand-new children's books – carefully selected to help children read for learning and fun! The box is strong and stops the water from getting in, so it's perfect for many places.

Activity

Some of the books children have found in a *Discovery Book Box* include *The Gruffalo*, *The Very Hungry Caterpillar*, *Rhino's Don't Cry*, *Impossible Creatures* and the *Oxford English Dictionary*. What book do you think a child would like to find in the box? **Draw or write about your favourite book in the box below.**
