ODD DOG OUT

TO MAKE

Odd Dog Out's BODY

You will need:

- ✓ Brown Card
- ✓ White card or cereal box card
- ✓ Ruler
- ✓ Felt tips: light & dark green, yellow, light and dark blue, pink, purple and red, black and brown
- ✓ Scissors
- ✓ Pencil
- ✓ Double-sided tape or strong glue
- ✓ Glue stick
- ✓ Sellotape
- ✓ Stapler

1. Cut two pieces of brown card 20 x 50cm. Then cut three further strips that are 4cm wide by as long as you need them to be, and save them for later.

2. Cut eight strips of white card 4 x 29.5 cm and colour in with felt tips – each one should be a different colour, to create a rainbow. Fold the strips backwards and forwards (in the same way you make a fan), attach either end of the back of each edge of the concertina to the body with double-sided tape.

3. Now attach the strips behind the front of the sandwich board with strong tape or double-sided tape, then place board over your child and attach the back of the strips to the back-board, ensuring it fits snugly.
