MAKE CORNER BOOKMARKS

Make sure you never lose your place in a good book again with these corner bookmarks!

1. Photocopy the templates on both pages
2. Cut around the dotted lines, then decorate
3. Follow the folding and sticking instructions
4. Stick on the decorations on page 2 or create your own crazy character completely from scratch.

YOU WILL NEED:
• templates
• crayons, felt pens, glue and scissors

You may photocopy this sheet
NOW DECORATE YOUR BOOKMARK

Colour and cut out the character features you want – or make up your own character.
