

MAKE CORNER BOOKMARKS

Make sure you never lose your place in a good book again with these corner bookmarks!

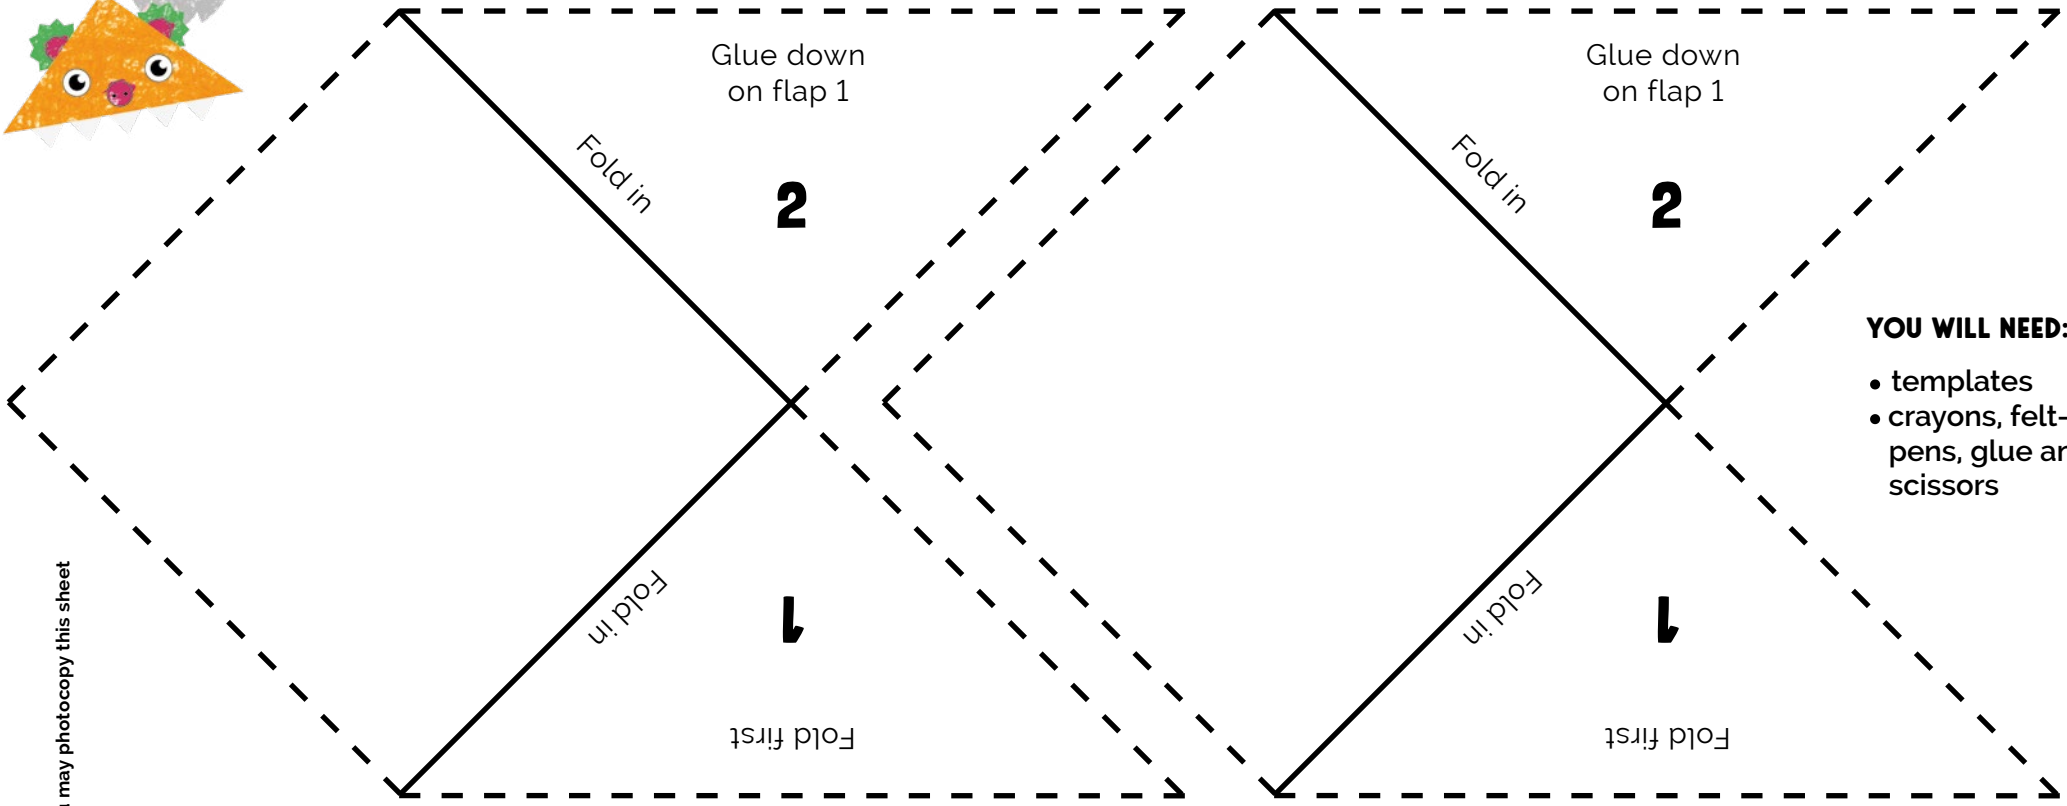

1. Photocopy the templates on both pages 1 and 2

2. Cut round the dotted lines, then decorate

3. Follow the folding and sticking instructions

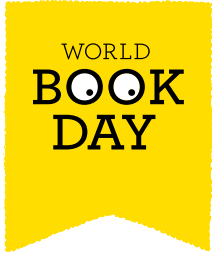

4. Stick on the decorations on page 2 or create your own crazy character completely from scratch.

YOU WILL NEED:

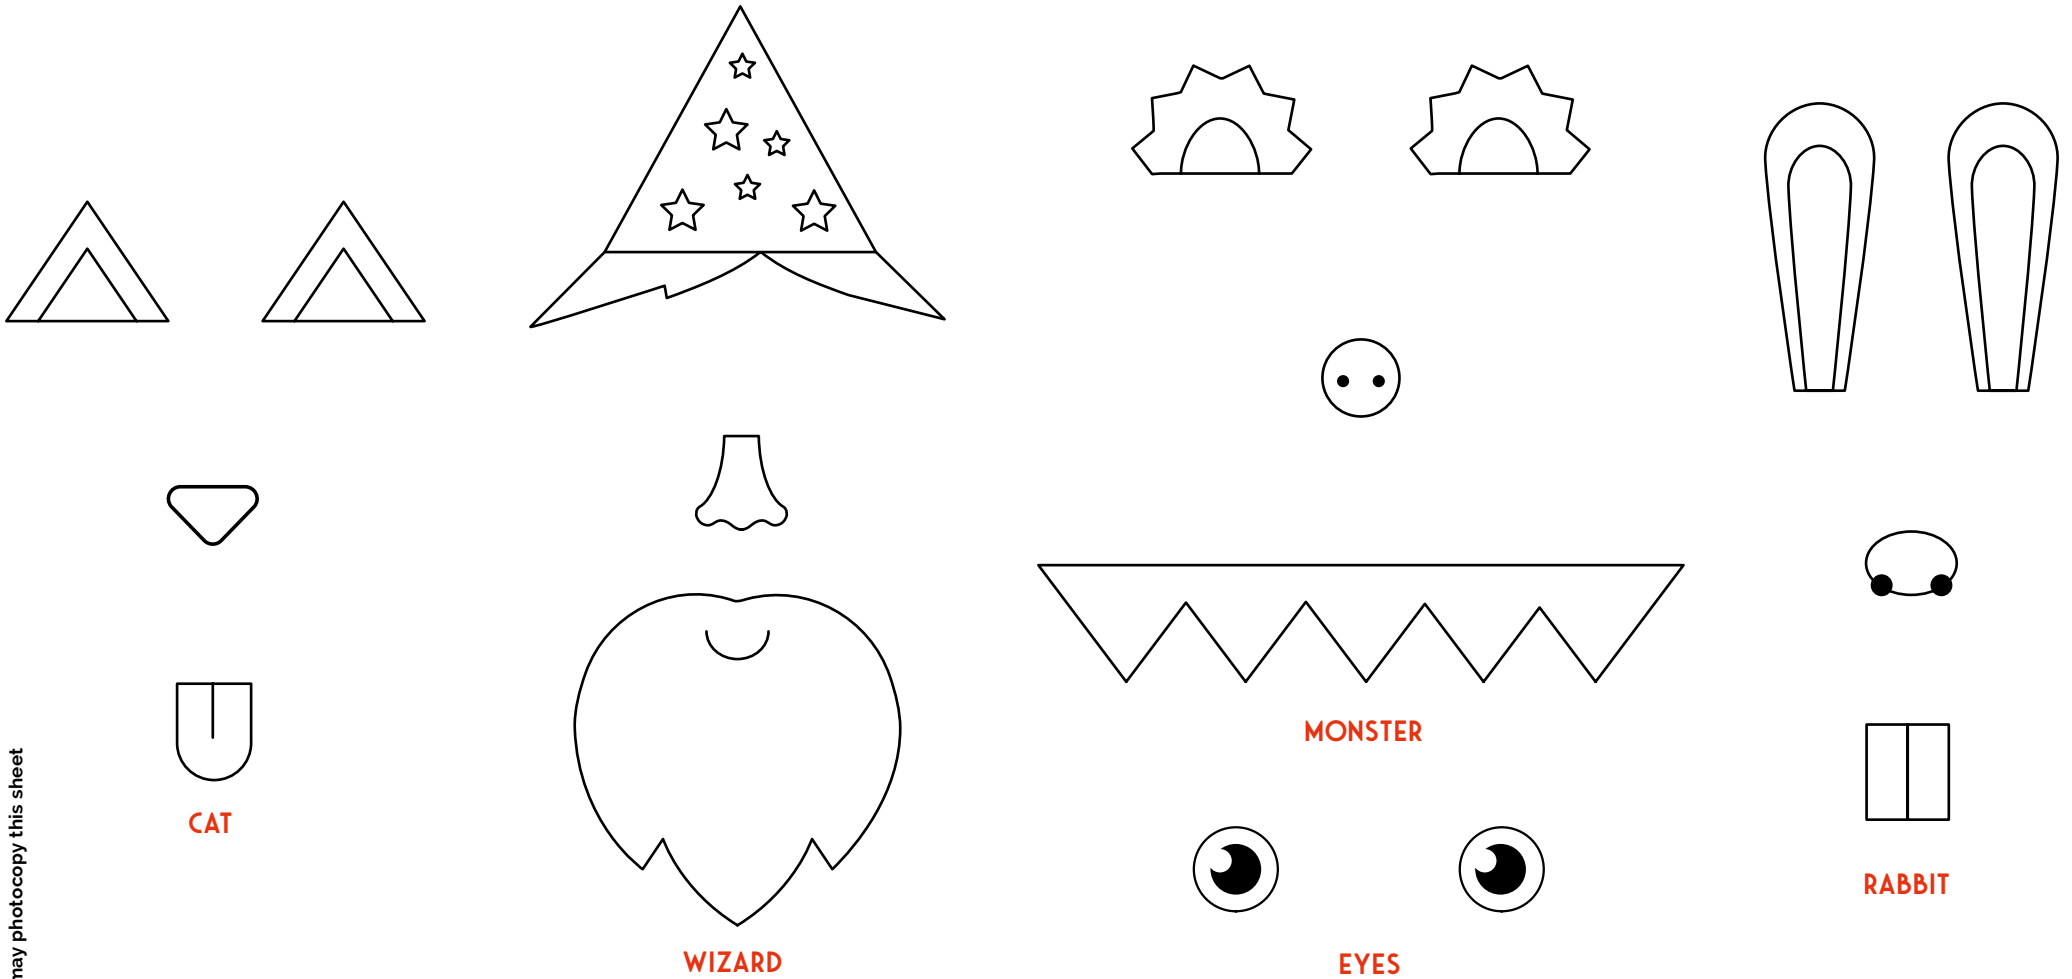

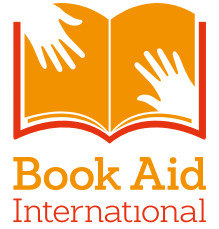

- templates
- crayons, felt-tip pens, glue and scissors

You may photocopy this sheet

NOW DECORATE YOUR BOOKMARK

Colour and cut out the character features you want – or make up your own character.
